

# BISHOP DUNCAN SEEKS CARPENTRY HELP FOR ST. MARY'S, CODEN

## NOTICE - Help Needed

[St. Mary's Episcopal Church](#) in Coden, Alabama was completely destroyed by Hurricane Katrina. Their new church building is almost completed and they have received a gift of some pews that are of various lengths.

Bishop Duncan asked me to seek volunteers to help St. Mary's cut these pews down to a uniform size that will be suitable for their use in the new church building.

Please make plans to join us in helping our brothers and sisters at St. Mary's complete their recovery from Katrina and have a place to worship.

Work days have been scheduled at St. Mary's for **Friday November 20 and Saturday November 21**. Please let me know if you can help and get in touch with me for more information.

Thanks for your response and your help,

Geary Gaston
