

# SAINT CHRISTOPHER'S MEMORIAL WALKWAY

*HELP US PAVE THE WAY!*

"How Beautiful are the feet of those who bring Good News!"  
- Isaiah 52:7

None of us are accidents of faith. We each exist as a legacy to those who have walked before us, who have blazed the trail and beaten the path for us to follow into the life of faith. Without them, we would not know the way. Because of them, we march the well worn path into this church. Their heritage of faithfulness has become ours. Indeed their beautiful feet have brought the Good News of Jesus Christ to us!

Today we have the blessing of being placed in a unique point in our parish history. Now we have the chance to tangibly honor those who blazed the way of faith for us. In addressing our long-standing water run-off issues and the need for safer, wider walkways, we will build new walkways into our church. These paths will be a memorial to those who first cleared the trail and opened the way to this church for us. Yet, the walkways will also be in honor of all the faithful people in our lives who set us on the course to become the people of God. This will include spiritual friends, pastors, godparents, grandparents and other family members used by God in our lives. Many of them will have never even heard of this particular parish. Yet because of their lives, which pointed us to Christ, we have found the way into the life of this church. Because of them, the paths to our church's doors remain well trod.

The St. Christopher's memorial walkways will be paved by bricks with the names of these heroes of the faith. You and your family are invited to participate in honoring those in your life who showed you the way through purchasing bricks in their honor. These will serve as permanent markers of the impact they made and insure that the direction their lives pointed us will exist for the next generations of saints in the making.

Pick up your application at the church office or in the parish hall on Sunday after each service.

Engraved Brick Prices:

4 x 8 ~ \$ 100.00

8 x 8 ~ \$ 200.00

Purchase five memorial bricks and receive one free!

**ORDER DEADLINE: March 31, 2011**
